## Environment

<ol style="list-style-type: none"><li>1. Ambient operation temperature</li><li>2. Relative humidity</li><li>3. Application area</li></ol>	-5 to 40 deg C 0 to 95% Indoor
---	--------------------------------------

## Cleaning Recommendation

It is not recommended to spray cleaning products directly on to electrical switches. Before cleaning, ensure that switches are switched off. Only wipe down with damp or dry cloth.

Note: \* Other color to be specified by customer

\*\* Complete door numbering and signage display can be tailored made based on customer's design
