

Belmont Hotel Manila is a 4-star hotel strategically located within Newport City right across the Ninoy Aquino International Airport Terminal 3 and within the internationally renowned entertainment complex of Resorts World Manila.

The hotel exhibits a fine balance between sophistication and simplicity that nurtures repose from a busy, on-the-go lifestyle. It features a contemporary lobby inspired by nature and infused with modern lines, an all-day dining restaurant (Cafe Belmont), an outdoor rooftop pool and bar lounge (Rooftop 11), a state-of-the-art fitness center with sauna and steam room (B FIT Fitness Center), and an atrium garden.

Belmont Hotel Manila is an official recipient of the “Clean and Ready 2020” shield from Diversey, making us the 2nd Hotel in the Philippines to be certified as a clean and sanitized property with standard safety protocols in place.

With the ongoing Covid-19 pandemic, safety of both the guests and staff remains paramount in this ‘new normal’. Belmont Hotel Manila has taken the initiative to deploy electrostatic sprayers as its new cleaning protocol for its property. The hotel had purchased several units GuestControl™ ESP-3014 backpack electrostatic sprayers for its hotel sanitization. GuestControl™ ESP-3014 backpack electrostatic sprayers can clean large hotel area at a shorter time using much less liquid disinfectant. It also save laborious housekeepers workload that can be deploy in other important places. This process also in-line with the latest cleaning protocol adopted by most international hotel chains worldwide!

Belmont Hotel Manila always give top priority to its guests and employees safety.
